

Patent Pending

Good-ice Hacksaver

Good-ice Hacksaver

Introducing the latest technology that allows curlers the opportunity to practice alone, including take outs without the risk of damage to the hacks. Keep hacks maintenance free longer! Lightweight, durable aluminum construction. Functional, and ready to use.

Adjustable to any ice surface.

Curlers that have tested the Good-Ice Hacksaver, love it!

Protect your hacks and allow curlers to improve their game. Patent Pending.
